

RESPONDING TO GOD'S CALL

Christ Church's approach to lay ministry is designed to support and increase the number of parishioners serving others through individual and Christ Church community ministries.

This is accomplished by educating parishioners on the many lay ministries of individual members and the Christ Church community, celebrating those ministries, and encouraging others to participate in those and/or other new ministries.

“Baptism is ordination to the principal order of ministry... Other orders exist to help lay persons fulfill their primary, front-line tasks.”
